Better, Together."**

Cleaning & Janitorial Services

Crystal Facility Solutions provides reliable, high-quality cleaning services for schools, commercial buildings, offices, and warehouses. We specialize in daily cleaning solutions tailored to the unique needs of each facility — ensuring clean, healthy, and inviting environments every single day.

From classrooms and offices to common areas and lobbies, our experienced team delivers every service with precision and care.

Our services include:

- General and deep cleaning
- Floor care and waxing
- Trash removal and disinfection
- Day porter and evening shift support

Better, Together."**

Floor Waxing Solutions

Restore the shine and protect your floors with Crystal Facility Solutions! Our expert team uses eco-friendly products and advanced techniques to remove old finishes and apply a high-gloss, durable coating that enhances both appearance and safety.

Perfect for schools, offices, medical centers, and commercial spaces — we deliver results that make your floors look their best.

Crystal Facility Solutions — where your floors shine with excellence.

**"Making Your Facilities
Better, Together."**

Carpet Cleaning Services

Deep clean your carpets and refresh your space with Crystal Facility Solutions!

We use powerful equipment and eco-friendly solutions to remove dirt, stains, and allergens—restoring your carpets to a clean, vibrant look.

Ideal for schools, offices, and commercial buildings, our services help maintain a healthier and more professional environment.

Crystal Facility Solutions — cleaner carpets, cleaner spaces.

**"Making Your Facilities
Better, Together."**

TRANSPORTATION

We offer reliable and safe transportation services tailored to meet the needs of schools and their communities. Whether it's daily commutes or special field trips, our well-maintained vehicles and professional drivers ensure timely and secure travel for students. We are committed to providing transportation solutions that prioritize safety, efficiency, and peace of mind for schools and parents alike.

**"Making Your Facilities
Better, Together."**

LANDSCAPING

We transform outdoor spaces into vibrant, well-maintained landscapes that enhance the appeal and functionality of your facilities. Our landscaping services include lawn care, planting, pruning, and seasonal maintenance, tailored to meet the unique needs of schools and other properties. With a focus on sustainability and aesthetic excellence, we create safe, welcoming environments that leave a lasting impression.

**"Making Your Facilities
Better, Together."**

The Cleaning Manager conducts regular on-site inspections to verify cleanliness and service quality across all designated areas. During these visits, they use a mobile application to document observations and provide real-time feedback as needed.
